MERCEDES-BENZ CLUB OF AMERICA WISCONSIN SECTION

# P R E S I D E N T ' S M E S S A G E

I write these remarks for the June-July issue of the Badger Star shortly after our May 15 visit to Road America and the May 16 Mystery Drive-to-Dine. Read about these events and our inaugural Cars & Coffee event in Wausau that was held May 8 in this newsletter.

With the last remnants of the pandemic thankfully fading into history, the next few months bring a number of Wisconsin Section events.

Our Summer Picnic will be July 10 at Carl Schurz Park in Hartland. The reservation form is elsewhere in this newsletter and has all the details. August 21 we head to the Horse & Plow located in Lodge Kohler in Kohler WI. We are working on a D-2-D to Siebkens Resort and their famous Stop-Inn Tavern in Elkhart Lake, and efforts are underway to hold a tech session later this year. Check out the full Calendar on page 4 of this newsletter.

### Picnic.

We are getting the use of Carl Schurz Park's pavilion. The rental of the pavilion is normally \$150.00, but the Park will waive that fee if MBCA members bring their cars and join the Park's German American Day Parade, August 7. The parade starts at noon, so you would need to be there no later than 11:30 a.m. Older Mercedes and Cabriolets especially wanted. I encourage you to mark August 7 on your calendar and help both Carl Schurz Park and your Section.

Remember, we are always looking for event ideas and suggestions. Have one? Don't be shy; contact any board member with your thoughts or suggestions. We can't hold the event you want, or hold it where you want it, without your input. Thinking about an event but unsure how to go about it? Make it a team effort; ask one of our board members for help.

### Membership Highlights

I want to welcome our new members and congratulate our

members celebrating membership milestones and anniversaries during June and July. They are all listed elsewhere in this newsletter.

### Looking for a Journey Article

We're looking for the next story about "the journey," how you acquired your favorite Mercedes-Benz. Did you travel across the continent to find the perfect Benz for you, or find it sitting a barn, awaiting a new home? Is it a vintage SL or a brand new Airstream Motorhome? Whether it happened last week or a decade ago, if you have an interesting story about how you acquired your favorite Mercedes-Benz, we want to publish it. Contact myself or any board member with your story.

Thank you to each and every member of the Wisconsin Section for being a member. We couldn't exist without your interest and participation; it's what makes this organization successful. New member or long-timer, I'd love to hear from you; your comments and suggestions are always welcome. We are always looking to improve your membership experience and give you value for your member dues.

### New! Upcoming Change in our Event Registration Process

In the next few weeks you will receive a notice about our new event registration platform. The Section is moving to the [www.motorsportreg.com](http://www.motorsportreg.com) platform for

# P R E S I D E N T ' S M E S S A G E

event sign-ups where things like advance reservations, payment in advance, or a waiver (think a Rallye) is required. You will be able to register, pay, and sign a waiver (if needed) all in one place. The announcement will be coming soon, watch for it!

Looking forward to seeing all of you in person at upcoming Wisconsin Section event,

Bruce Hamilton

# WI WINS NATIONAL COMMUNICATION AWARD

I am extremely pleased to announce that the Wisconsin Section won the MBCA's National Communications Award for year 2020.

The Section won the award in the fall of 2020, but through an ironic turn of events did not find out about it until we read about it in the May-June 2021 issue of The Star that arrived recently. So although a little late, it's time to highlight our accomplishment and celebrate our win.

The National Communications Award is presented to the Section judged to have the best combination of communication platforms to keep their members informed of Section activities, news, and events.

We were judged to be the best of the best! HURRAY!

I know you're reading the Badger Star right now, but allow me to list all the ways the Wisconsin Section communicates with its members:

## Badger Star

The paper copy edition of our bi-monthly newsletter, the Badger Star, is mailed to all members for whom we do not have an email address.

The electronic version of the Badger Star is sent at the same time as the printed versions are mailed.

You may have seen them, but in both print and electronic versions of the Badger Star we recognize new members, milestone member-

ship anniversaries, and membership anniversaries occurring during the period covered by the current edition.

## Email and Direct Contact

We send out periodic e-mail blasts using two different Mailchimp platforms. Up to now we've used a combination of Mailchimp and Google apps for sending out

Images collected by Bailey Hansen

# WI WINS COMMUNICATION AWARD

meeting announcements that require reservations.

We are transitioning to [motor-sportreg.com](http://motor-sportreg.com) for this: please refer to the president's remarks elsewhere in the newsletter.

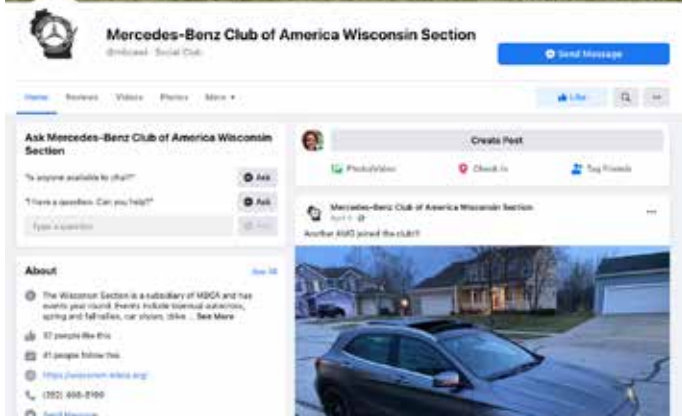

We send out electronic event updates and corrections when we have to make last minute event changes due to circumstances beyond the Section's control.

## Event Postcards

Additionally, we try to mail out event reminder postcards for those who do not received electronic communications for whatever reasons.

## Wisconsin Section Website

The Section's website (located at [wisconsin.mbca.org](http://wisconsin.mbca.org)) is updated with both upcoming events and event reports as they happen. The website also contains a link to the current edition of the Bad-

Re-chartered on October 1, 2006, the Wisconsin Section is far from new -- our history and camaraderie as the MBCA Wisconsin Section goes back to 1966, when it was formed on August 23 of that year.

Our Section hosts many events throughout the year, with road rallies, tech sessions, and a host of social events and other fun gatherings.

If you're a Badger State Mercedes enthusiast, we welcome you to participate in any of our events. Read about the benefits of MBCA membership here and consider joining us. The Wisconsin Section is a friendly group of people sharing a love of Germany's finest automobiles.

Our next Local event is a Drive to Dine at Flannery's (Fire Ridge Golf Course). Please register for this event by June 17th to Frank. You might also consider attending the 2021 Concours D'Elegance on July 22nd in Plymouth Michigan. Great cars and a great location.

*We hope to see you at a future event and please stay safe in the meantime!*

*President's Message*

ger Star.

## Facebook

We also share posts, announcements, and section events via our Facebook page: [www.facebook.com/mbcawi](http://www.facebook.com/mbcawi)

The Wisconsin Section could not have won this award without the hard work of number of folks (in no particular order): Kyle Mahan, Bailey Hansen, Dean & Nancy Pearson, Jim Loseke, and everyone who contributed an event write-up,

picture or article for the Badger Star.

We expect to receive our plaque and other official notices of our Award from the MBCA National office shortly.

In the meantime, let's work to move the bar even higher!

Congratulations everyone!

# MYSTERY D2D REVIEW

Scheduling club events has often had a touch of mystery surrounding the selection of location and event date. Will others like the choices and attend? And will the weather cooperate? The concept of a mystery drive-to-dine (D2D) added another variable since would-be participants also wouldn't know where they were going or the route that they would take. So began the first annual Mystery D2D event for our club.

Dean & Nancy selected a restaurant with a full Sunday brunch, safely offered with precautions, for self-service. A generic starting point was selected within

a 30-minute drive radius that could also have led to several other popular restaurant locations. The stage was set. All that was needed were hungry sleuths with a penchant for a little suspense. Unlike most D2D's, this one required advance registration – to accommodate the busy restaurant.

So, members gathered in a Hartland parking lot before 11 a.m. on this mild and sunny Sunday morning. Some talk ensued speculating on the destination. When all were gathered, we departed to the west, then north, then east on lesser travelled roads in our caravan of stars. After going

through Merton we went north to Plat. (Who's heard of that?) Later comments confirmed that talk of the uncertain destination was common in most cars on the journey. The further we travelled the more the possible destinations were reduced.

The route took roads less travelled, yet scenic, undulating and sometimes curvy. Our caravan had no trouble staying together. Then the final turn at the sign for our destination. The full breakfast-lunch brunch was enjoyed by all, along with stimulating conversation to solve the country's problems mixed with vehicle maintenance tips and more. It was a wonderful relief from pandemic talk.

Ironically, our member who suggested the event was not among the attendees. Those that accepted the challenge seemed to appreciate the drive and the brunch reward. Perhaps you will join-in next time. Thank you to all the participants!

# SVRA VINTAGE FESTIVAL REVIEW

**O**n Saturday May 15, the MBCA Wisconsin Section held an event at Road America. It was a cool Spring day, but the rain held out for most of the day.

Kicking off the Road America schedule, the festival had races featuring cars from several decades. Also, there were many interesting cars at the track to view: both race cars and customer cars.

Photos/Article Courtesy of John Ledbury - Additional photos on page 13

The highlight was lunch at the Gearbox where I met with several club members. A great time was had by all. We hope you can join us for the fall vintage races in September!

## CARS & COFFEE REVIEW

**M**BCA Wisconsin section members Karl Buddenhagen and Dick Kusch hosted a Cars and Coffee event at the Clean Slate Coffeehouse in Rothschild, WI on Saturday May 8 from 9:00 a.m. until noon.

This was the first time for this event and we had 12-14 cars participate with 3 members of the MBCA WI, 4 members of the Wisconsin Valley Corvette Club, and the rest made up of drive ups from the street. Of particular interest was a gentleman with a great 1963 Ford Galaxie 500 two door coupe. We also had an opportunity to pass out a couple of membership brochures and some individuals inquired about future

dates (which will be June 5, July 17, and August 21).

I had one Wausau area MBCA member come up to me when I was packing up my car right at noon who just happened to be getting coffee and hadn't realized that we were hosting the event with Clean Slate. He thought it was a great idea to do something for the membership in the area, who can find it difficult to attend functions in the southern part of the state. He promised to try and make it to the next one.

Karl Buddenhagen received 2 car wash kits from O'Reilly Auto Parts and winners were picked by drawing numbers. All-n-all, it

was a great starter event and we hope to double our numbers next month and build further camaraderie with the Wisconsin Valley Corvette Club, the MBCA WI Wausau area members, and any other individuals with a passion for cars. What a great venue for gaining new friends!
