## **PRESIDENT'S MESSAGE**

I open my remarks for this edition of the *Badger Star* by saying "Thank You" to our advertisers. Their support of this publication helps your Section defray the costs of publishing, printing and mailing, and we ask our members to support our advertisers whenever possible. Be sure and tell them you're a Club member when using their services!

It's been a busy time for your Wisconsin Section since the last issue of the *Badger Star*. Back to back weekends in August saw Dick & Nancy Kusch host our Hill Tour & Drive-to-Dine, followed by Show 'n Glow and our first "Concours Within a Concours" exclusively for Mercedes-Benz cars and MBCA members. A special thank you to Andrew Opicka for leading the judging team for our Concours, and congratulations to our winners!

**Bruce Hamilton**

Two weeks later we held a Drive-to-Dine with a Museum Tour, and September 14th saw two events, a Drive-to-Dine at Road America, and an invitation from the Gull Wing Group to view their spectacular cars during their annual convention in Fontana. I write these remarks just before Oktoberfest and September 28th we have a Drive-to-Dine followed by a visit to the Geneva Lakes Antique and Classic Boat Show. Details of all the past events can be found elsewhere in this newsletter.

### **Upcoming Events**

Looking ahead, we will join the Chicago and Iowa Sections for the Midwest Region Fall Color Tour October 25th – 27th, and then head to Green Bay November 17th for a Drive-to-Dine at the Taverne in the Sky at Lodge Kohler across the street from Lambeau Field. Our last event in 2019 is our Christmas Party & Annual Meeting, Saturday December 14th at the Wisconsin Club in downtown Milwaukee. Reservations are open now for all of these events and details on each can be found elsewhere in the newsletter.

### **Where Are You??**

I'd like to pose a question. Why don't more of you, our members, attend Wisconsin Section events? As of the most recent membership list the Wisconsin Section has 258 members yet our average attendance at an event is 25, and many times it's the same members at each event. While we do our best to promote events that low participation rate makes me ask, "What could our Section be doing better?"

To those of you who haven't attended an event in the last couple of years (or longer), what can we do, what type of event can we offer, that will make you want to join your fellow Wisconsin Section members at an event? Remember, the old saying, "the more the merrier" is so very true when it comes to club events. Please don't sit back and wait for others to fill up our events; get the most out of your MBCA membership by getting involved.

So please let me know how we can help you get more involved. All comments, suggestions, and criticisms are welcome. We are always looking to improve your membership experience and give you value for your member dues. PLEASE give us your feedback! New member or long-timer, I'd love to hear from you.

Finally, please consider hosting an event. It's easy, fun, and any member who hosts an event has his or her meal paid for by the Section. Don't want to tackle an event by yourself? Consider co-hosting an event with another member.

### **Upcoming Election**

Ballots for the 2019 Election of Directors will be sent out to members of record as of September 30th, per the Wisconsin Section roster maintained by the MBCA National office. If we have your email address, you will receive a message from the Club's email address, [mbca.wi@gmail.com](mailto:mbca.wi@gmail.com) containing a link to the online ballot. Others will receive a paper ballot which must be completed and returned. If you have an email address but prefer a paper ballot, please let me know ASAP. Voting will remain open through November 30th, and results will be announced at our Christmas Party & Annual Meeting.

### **Keep Your Information Current!**

The Wisconsin Section relies on the roster information from MBCA's national office to send out newsletters and other Club information. If you don't keep your profile on the National site current, we don't have any way of knowing where to send information to you. We have no way of knowing what email or regular mailing address you want us to use unless your preferred information is included in your profile at MBCA National.

We cannot update your profile information; only you can do that.

*Continued on page 3...*

Please take a few minutes and go to the MBCA national website, check your profile, and make sure all of your information is complete and up-to-date, including your e-mail address that you want to use to receive Wisconsin Section information, your regular mailing address and your phone number.

### Don't Forget to Buy Your Raffle Tickets!

The 2019 MBCA Fall Raffle is now open. First Prize is a 2019 Mercedes-Benz GLE that you know would look nice in your driveway. See all the details elsewhere in this newsletter, or online at:

I close these remarks by asking you to please join me in welcoming our newest members and those who have transferred to the Wisconsin Section as of September 21st:

**Bernie Blaauw**

**Greg Johnson**

**Charles Candiano**

**Kevin Abel**

About 26 members and friends of the MBCA, Wisconsin Section, celebrated Oktoberfest on Saturday evening, Sept 21 in Heidelberg Park, Bavarian Bierhaus in Glendale, WI. The Alte Kameraden Brass Band from Freistadt provided spirited Oktoberfest music for dancing and sing-along favorites. Many people of all ages were wearing a variety of "trachten" outfits, including children. German beers, wines and foods were available, as usual. The Oktoberfest celebration was quite noisy, but everyone enjoyed themselves.

## *2019 Ariens Art on Wheels Festival* **REVIEW**

*September 14, 2019*

On Saturday, September 14, I attended the Road America Fall Vintage Races. The weather provided sunny and mid-seventies temperatures making a beautiful backdrop for one of the Fall's most exciting events at the road course. The event drew many fans and racers from the US and I also visited a Canadian racer making his first trip to Road America.

As always, the cars are the stars of the event. The races consisted of cars from the 40's to the current models. There were many classic cars on the grounds to view and the owners were more and willing to describe them to you. Although our attendance was meager, I was able to meet some new members from the Monroe area who were attending their first Wisconsin Section event.

If you haven't had the opportunity to visit Road America for one of the Spring or Fall vintage events, I would encourage you to attend one of the events next year. Anyone who enjoys seeing and talking cars won't be disappointed and will enjoy the races and the camaraderie of other club members.

## 2019 Christmas Party and Annual Meeting

Join us Saturday, December 14th for our Christmas Party and Annual Meeting. By popular demand the event will again be held at the Wisconsin Club, 900 W Wisconsin Ave in downtown Milwaukee (Click here for a map).

Join your fellow Wisconsin Section members for a wonderful luncheon in the beauty of the Wisconsin Club. Enjoy great food, holiday cheer and gemütlichkeit while a slide show recaps all of our 2019 events.

New for this year, your Board of Directors decided at their September meeting that rather than purchasing gifts for those who attend our Christmas Party, to donate those funds to a local food pantry. We also encourage our members to bring their own cash contributions to our party; member funds will be added to the Club's donation. Food pantries prefer a monetary donation rather than gifts of food items because a monetary donation goes further because the pantries can buy at cheaper prices than individuals.

Entrée options are listed below. Both are served with a tossed garden salad, oven baked rolls, Dessert and coffee, tea or milk. Cost is \$35.00/person, including tax & gratuity.

### Apple Craisin Chicken Scaloppini

*Breast of chicken scaloppini served over rice pilaf with granny smith apple crasin relish, chicken velouté sauce and vegetable medley*

## ***Beloit Drive-to-Dine and Museum Tour***

**REVIEW**      *August 17, 2019*

On August 17th, 26 Wisconsin & Chicago Section members and their guests gathered at the Beloit Club for an afternoon of camaraderie and gemütlichkeit.

The plan was for all of our cars to be parked together, but there was a small glitch in the form of a single Subaru sitting in the middle of the Mercedes parking area. Apparently the Subaru's owner had imbibed a bit too much the previous evening. After visiting in the parking lot, we all enjoyed a great lunch in the Beloit Club's private dining room.

Turnout was greater than expected, so seating was a little tight (remember our 2015 Christmas Party at the Copper Dock) with both Scott & Colleen Lowry and their guests, and Dan Hellenberg & Franchesca Abbate sitting at their own VIP tables!

During lunch names were drawn and four lucky folks received a \$50 gas card. After a lunch which everyone appeared to enjoy, the group caravanned to the Historic Auto Attractions museum in Roscoe, IL where everyone took in all of the museum's eclectic displays at their own pace. As folks completed their visit to the museum, everyone headed home, with Bernd Kampe, Jerry Zajicek and yours truly the last to leave.

The rain held off until we were ready to head to the museum, everyone enjoyed themselves and best of all nobody got lost. All in all a great outing for the Wisconsin Section!

## ***Gullwing Car Show on Lake Geneva***

*September 14, 2019*

### **REVIEW**

The Chicagoland and Wisconsin Sections of MBCA were invited to the Gullwing Group's annual national convention car show which was held Sept 14 at the Abbey Resort in Fontana on Geneva Lake.

About 10 members of our club were there for this incredible opportunity to see so many of these historic racing cars which were built between 1954-'57. Each of these Gullwing cars is valued at least \$1M-\$2M.

There were also a variety of 300SL Roadster convertibles from these years as well as four modern 2013-2015 SLS AMG Gullwings which sold new for about \$212K-\$250K.

Some images of these gorgeous vehicles are included with this article, but you can see many more photos at this link:

## *Madison Drive-to-Dine and Hills Tour* *July 27, 2019* **REVIEW**

*This drive-to-dine included a 50-mile scenic drive through the far eastern edge of the Driftless Area - West Madison Menards to Blue Mounds - return to lunch at R. P Adlers Bar & Grill. The starting point and end point of the drive were approximately ¼ miles apart. We had 10 cars out with 10 cars returning (I didn't lose anyone!)*

The day was perfect with mid-day temperatures around 80 degrees. My wife Nancy and I were the lead car and as soon as we cleared the 1st roundabout on W. Mineral Point Road I knew I was in a small predicament: we were greeted with a construction detour enroute to the 1st major direction change at Pine Bluff.

After leading the group on the detour, and getting a bit frustrated at taking a bad turn down a dead end, I figured why not press on regardless (anyone remember the SCCA POR Rally in the U.P. in the 1970's?) and ignore the barricades and proceed to Pine Bluff via Mineral Point Rd as originally planned. I could visually see the Pine Bluff intersection from our viewpoint on Mineral Point Rd. As luck would have it, the majority of the culvert work had already been completed, except for a 10' section of gravel. We weaved around barricades for a couple of miles and made it to Pine Bluff and we were ready to start my course of narrow road twisties and tree-canopied shadows.

Incidentally, Pine Bluff is the starting point for The Slimy Crud Run, which is a bi-annual motorcycle cafe racer event in southern Wisconsin that uses the hilly, curvy farm roads that we drove. Their loosely organized events usually have 1,000 to 3,000 machines show up and I have participated in the past as a member of the BMW Motorcycle Club of Madison with my very German BMW K bike. There is also an annual bicycle event called The Horribly Hilly Hundred that gets a bit of attention in the region.

Back to the D2D . . . My next slight boondoggle for the group was coming across extremely fresh asphalt work going on at the intersection of Vermont Church Rd and Dane County JJ. It's really hard to remember that in May when we planned the route there were about 4 or 5 graveled roadway cuts on JJ for cross-roadway culvert installation. As a result of me not driving the route the day before all 10 cars were able to "christen" this new asphalt, which was still being rolled as we drove through, happily waving to the equipment operators. Lucky the route was going south. Going north would have meant fresh oil and I would still be detailing everyone's cars!

After another missed turn in a construction zone near University Ridge Golf Course near Verona and the group reassembled at R. P. Adler's Bar and Grill. By all accounts the food met everyone's tastes. The group drew names for two \$50 gas cards. The lucky winners were Dean Pearson and Scott Lowry. I'll see if I can find some more unusual road work for my next D2D!

### **Attendees Included:**

*Nancy and Dick Kusch; Bruce and Deb Hamilton; Dean and Nancy Pearson; Scott and Coleen Lowry; John Ledbury; Ghassan Majdalani; Karl and Marcia Schneider; Dave Bedore and Terry Wesenberg; Dick and Karen Dierksmeier; Ed and Jill Blomstrom*

# Concours d'Elegance and Show 'n Glow

## August 4, 2019

### REVIEW

This year's show was held on Sunday, August 4th at Veteran's park in Milwaukee. For those of you who have never attended you missed a great event with 300 cars encompassing a wide range of classic cars to daily drivers. The Mercedes group came out in force with a total of 22 vehicles from Wisconsin and Illinois in the paddock. The weather was perfect and the Concours had both high end cars (a 1937 V16 Cadillac owned by Hagerty) and preservation cars (a totally original 1953 Corvette owned by Ernie von Schledorn). There were cars from the brass era all the way up to 2019 autos. A great time was had by all!

At this year's 2019 Milwaukee Concours the Mercedes Benz Club of America - Wisconsin Section held an informal concours judging of 9 beautiful Mercedes Benz for the registered participants. The Judges Mr. Sovann Khong and Mr. Kyle Mahan judged the cars with strict dedication to the ICJAG score sheet. All cars were beautifully presented and carefully detailed. Special Thanks to Mr. Don Reidy for the donation of the Award Plaques. A big thanks goes to all those who participated. The club looks forward to next year's event with hopes for even more participation and an expansion to more segment classes for judging. Many thanks to Andrew Opicka for arranging the judging of the cars!

#### The winning cars presented were:

- 1st place winner: Jim Fitzgerald 1986 560SL
- 2nd place winner: Krista Mahan 2015 B250e
- 3rd place winner: Don Koser 1970 280SL

#### Other cars presented included:

- 1986 420SEL: Jim Fitzgerald
- 2004 CLK55 AMG: Bernd & Christine Kampe
- 2019 C43 AMG: Robert Harmon
- 2008 SL55 AMG: Ghassan Majdalani
- 1984 300cd: Don Reidy

Please put next year's event on your calendar if you really enjoy seeing both beautiful Mercedes as well as other marques of all years.
