## 2009 Fahren Zum Essen (Drive to Dine) Events

Anyone (prospective member or guest) is invited to join our club members around the state at these informal "Drive to Dine" events. Even if you don't attend a lot of other club events you'll find others, just like you, enjoying the opportunity to learn more about each other and our common love for the MB brand & heritage. Join us as we go 'riding to eat'. Bring your spouse, partner, children or friends along, too. Enjoy a low cost lunch (off the menu) and plenty of gemütlichkeit. Generally, please try to call or email the host/hostess so they have an idea of number of attendees. However, if you decide to go, but it's too late to contact them, come anyway.

- **Aug 2nd, SUN, ?? time** Lunch in the area and a Tour of the **Schwartz House** (another Frank Lloyd Wright design) in Two Rivers (pronounced "Trivers" by the locals.) Contact Jerry Zajicek for details on this event. [jzajicek@wi.rr.com](mailto:jzajicek@wi.rr.com)
- **Aug 22nd, SAT, 5:30pm** MysteryDinner Location after The MASTERPIECE Show. All are welcome, whether you will attend the show, exhibit a car, or just want to join the group for dinner afterwards. Contact Bob Turznik **414-416-3375**

Your board could always use suggestions for other places you know of for "drive to dine" events. If there is something else of interest in the area to see or do, so much the better. Contact Jerry or Andy.

**Defensive Driving and Autocross** *Saturday* **MAY 22nd, 2010**  
**Wisconsin Section - MBCA Regional Driving Event** at State Fair Park, West Allis (Milwaukee), WI

*Plan ahead and watch for more details.*

**We'd like to offer a reminder that the following memberships are coming up for renewal and hope you can spend another year with us, enjoying your club...**

## President's Message...

We have an assignment for each member of this club....the National club, MBCA, and our club, MBCA-WI, both request that each of you members log into the new National website as members, and update your accounts. If you've never logged into the new website as a member using your membership number, please do it soon. It is quick and easy, and you can choose your own password, and most important, make sure your e-mail address is correct and added to your personal data. The National club is going to make a major effort in the future to use more electronic communications to contact members, and so it is necessary to have everyone's data be complete and correct.

Your section is also going to use more electronic communications with regard to the Badger Star newsletter. And we will get all of your e-mail addresses from the MBCA database (our club roster). The major expense that we have as a club is the production of the bi-monthly newsletter, which is a requirement of every MBCA section. The printing, folding, stuffing, paper and postage that the club pays for every other month amounts to approximately greater than \$400. That's about \$2700 per year to produce and mail out 320 to 330 copies every other month, mailed to all of our members, the surrounding sections, and several officers of the national club. To reduce this cost, we will cut down on the number of paper copies we process as much as possible. There are members who do not own computers, and they will still receive a paper copy in the mail, but if at all possible we need members to give us a current e-mail address (home or work will do), so we can cut this high cost to the club.

In addition, we are building a new club website which has several advantages over the previous one. The new website should be complete by the 4th of July. The new website will be editable by several people (not just the webmaster), and it will allow us to post information faster and easier, and it will be more

of a one-stop-shop for club information. The Badger Star will continue to be posted on the website (in PDF format), and those who are receiving the newsletter by e-mail will actually be receiving a link to the PDF file on the website. You will be able to access the latest newsletter (and any previous ones) on the website, and you can print out any and all pages on your computer printer that interest you.

Another advantage of the new website will be an expanded Events Listing, with room for events from other sections and other parties who have notified us for our possible participation. We also have a separate section for Drive to Dine events, and this should make things easier for us when looking up events and information pertaining to events.

Don't forget the club Golf Outing at Songbird Hills on June 28th. The teams play best ball, which is a lot of fun for everyone, even the bad golfers who seem to get in some nice drives and putts. And there are several prizes to be had for the longest drive, the longest putt, etc. Your 40 bucks will get you 9 holes of Golf, a golf cart, a meal after the game, 2 drinks from the club car, door prizes, a chance at the aforementioned prizes, and all the fun you can endure. Songbird Hills is a challenging course, which will make your game that much more satisfying if you can master it. See you there.

On July 15th, International Motors is hosting a Technical Session, so check the flyer for more details. You can enjoy some good food and drink, and take a look at the new GLK and the new 2010 E-class Mercedes which will be on display for us. See you there too.

### Drive to Dine @ The Mineshaft

On May 2nd, 24 members gathered for lunch at The Mineshaft restaurant in downtown Hartford. There were no complaints with the great food and drink, and afterward a birthday cake was presented (by the club) to long time member Marcella Bedore. The waitress crew joined in as 30+ people sang Happy Birthday to Marcella, and then we cut the cake. Apparently everyone had a great time, as the lunch did not conclude till 3 o'clock, when Dave and Marcella took home the remaining chocolate cake for enjoyment later. Thanks to all who attended for a great time. More photos are on the front page. JZ

**Happy Birthday, Marcella!**

# Popeye's Nautical Restaurant in Lake Geneva

This Drive to Dine luncheon was held on May 30th at Popeye's nautical-themed restaurant in Lake Geneva. Twenty-eight (28) members, spouses and/or friends attended. After lunch six of our vehicles completed a map-guided, hilly and winding drive around historic and scenic Geneva Lake as provided by our host, Bernd Kampe. The route included the historic villages of Williams Bay and Fontana. Others went

on a 1 or 2 hour tour of Geneva Lake in boats; viewing the beauty and 130-year history of the lake and it's many mansions. At least four people completed both the driving tour and the 2-hour boat tour. A few others also went shopping in the many local shops. The weather was sunny, in the low 70's (on shore) and perfect for driving

our Mercedes-Benz automobiles and touring by boat.

Bernd did a wonderful job preparing materials about the area,

## **Tour of the Mississippi Great River Road**

### **Oct 20-25th, 2009**

We are planning an exciting 3-5 day fall color tour along the Mississippi Great River Road in mid-October. Our tour may start at Prairie du Chien where the Wisconsin River flows into the mighty Mississippi. We will drive WI Hwy 35 north to LaCrosse where we will stay overnight and hopefully embark on an authentic riverboat, the Julia Belle Swain, and drive up to Grandad's Bluff overlooking LaCrosse and the Mississippi valley. You would be able to join the tour at Prairie du Chien or LaCrosse, to suit your time schedule.

From LaCrosse, our Great River Road tour will continue on Hwy 35 north on the Wisconsin side thru scenic small towns, stopping along the way for sightseeing such as a lock & dam, Perot State Park and an apple orchard near Trempeleau (great apple pies there), a county park on the bluffs overlooking Alma, view the restored log cabin original homestead of Laura-Ingals Wilder a few miles east of Stockholm, etc. We will cross the Mississippi River into Red Wing, MN where we will probably stay a night. Red Wing is well known for its high quality boots and shoes and a pottery store. It also has an excellent old-fashioned downtown area, including an 1880's restored hotel w/ restaurants (the St. James Hotel), a beautiful stone Amtrak station, great restaurants & an excellent bakery/deli.

Our tour continues next day heading south on MN Hwy 61 thru Lake City located on the shores of beautiful Lake Pepin (a huge, wide area of the river created by the lock & dam) and then into Waubesa, where the two "Grumpy Old Men" movies were filmed. Waubesa is also the home to the newly-built National Eagle Center. From Waubesa we continue to the small town of Kellogg which has a beautiful carousel with full-sized wooden animals which are hand-carved in the local shops as well as lots of old toy replicas on display.

Our tour continues south to Winona which is the largest city on the MN side of the river with lots to see and do. Our final night will be in Winona or LaCrosse which is only 30 miles further south. Sunday will be the drive back home.

Our intent is to allow every participant plenty of time to see and do those things along the Great River Road which they enjoy and share the stories of your adventures with others while at the motels or when dining together in the evenings & mornings.

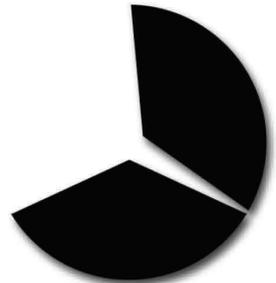

Here are two official state of MN and WI Great River Road websites which you might find of interest: [www.mnmississippiriver.com/bluffs.cfm](http://www.mnmississippiriver.com/bluffs.cfm)      [www.wigreatriverroad.org](http://www.wigreatriverroad.org)
